

BENOÎT HAVET

AI Engineer · Fullstack Developer

Levallois-Perret, Île-de-France · +33 7 86 76 59 11 · myungjae84@gmail.com · linkedin.com/in/benoît-havet-708752154 · portfolio-benoît-havet.vercel.app

PROFILE

Fullstack developer with 5+ years of experience, I leverage AI to ship faster and better — Claude API, RAG architectures, MCP integrations, modern stack. Trained in AI through the official Anthropic program. Looking for an AI Engineer / Fullstack AI role in a startup or scale-up in Île-de-France (remote-friendly).

PROFESSIONAL EXPERIENCE
